

# Change of Direct Deposit

Direct Deposit is the convenient, secure way to get your paycheck – or other regularly recurring checks, such as Social Security, pension or dividend – into your XCEL checking or share savings account.

**The following are important reminders to guarantee your Direct Deposit switch will be easy and hassle-free:**

- Remember to notify your employer that you've switched over to XCEL so your deposits continue without interruption
- Provide your employer with XCEL's routing number: 226078230

Once your funds have been successfully posted into your XCEL account, we will be happy to redirect a portion, or all of your funds, into a different XCEL account if you so choose. These arrangements may be made by calling **1-800-284-8663**, or by visiting an XCEL branch.
