You agree that you will not deposit:

- Checks payable to any person or entity other than you (i.e., payable to another party and then endorsed to you).
- Checks payable to you and another party who is not a joint owner on the account.
- Checks that contain evidence of alteration, or that you know or suspect, or should know or suspect, are fraudulent or otherwise not authorized by the owner of the account on which the check is drawn.

Requirements

Each image must provide all information on the front and back of the original check at the time presented to you by the drawer, including, but not limited to, information about the drawer and the paying financial institution that is preprinted on the original check, MICR information, signature(s), any required identification written on the front of the original check and any endorsements applied to the back of the original check. The image quality must meet the standards established by the American National Standards Institute, the Board of Governors of the Federal Reserve, and any other regulatory agency, clearing house or association.

Your endorsement must include your signature and your account number. Receipt of Deposit

All images processed for deposit through will be treated as “deposits” under your current Membership and Account Agreement with us and will be subject to all terms of the Membership and Account Agreement. We shall not be deemed to have received the image for deposit until we have confirmed receipt to you. Confirmation does not mean that the image contains no errors. We are not responsible for any image that we do not receive. Following receipt, we may process the image by preparing a “substitute check” or clearing the item as an image.

We reserve the right, at our sole and absolute discretion, to reject any image for remote deposit into your account. We will notify you of rejected images.

Original Checks

After you receive confirmation that we have received an image, you must securely store the original check for 90 days after transmission to us and make the original check accessible to us at our request. If not provided in a timely manner, such amount will be reversed from your account. Promptly after such period expires, you must destroy the original check by first marking it “VOID” and then destroying it by cross-cut shredding or another commercially acceptable means of destruction.

After destruction of an original check, the image will be the sole evidence of the original check. You agree that you will never re-present the original check. You understand that you are responsible if anyone is asked to make a payment based on an original check that has already been paid.

Returned Deposits

Any credit to your account for checks deposited is provisional. If original checks deposited are dishonored, rejected or otherwise returned unpaid by the drawee bank, or are rejected or returned by a clearing agent or collecting bank, for any reason, including, but not limited to, issues relating to the quality of the image, you agree that an original check will not be returned to you, but that we may charge back the amount of the original check and provide you with an image of the original check, a paper reproduction of the original check or a substitute check. You will reimburse us for all loss, cost, damage or expense caused by or relating to the processing of the returned item. Without our approval, you shall not attempt to deposit or otherwise negotiate an original check if it has been charged back to you.

We may debit any of your accounts to obtain payment for any item that has been rejected or returned, for any adjustment related to such item or for any warranty claim related to such item, whether or not the rejection, return, adjustment or warranty claim was made timely.

Your Warranties

You make the following warranties and representations with respect to each image:

- Each image is a true and accurate rendition of the front and back of the original check, without any alteration, and the drawer of the check has no defense against payment of the check.
- The amount, payee(s), signature(s), and endorsement(s) on the image and on the original check are legible, genuine, and accurate.
