

Kasasa Cash with Kasasa Saver Disclosure

This disclosure contains the rules that govern your deposit account as of June 1, 2019.

Account Overview:

- Kasasa Cash: A free variable rate checking account with no minimum balance that rewards accountholders with dividends and nationwide ATM withdrawal fee refunds when they meet minimum qualifications during the account's Monthly Qualification Cycle.
- Kasasa Saver is a free, variable rate, deposit account with no minimum balance that rewards accountholders with dividends when they meet the minimum qualifications associated with their linked Kasasa Cash checking account during each Monthly Qualification Cycle.

Purpose and Expected Use of Account

This account is intended to be the accountholder's primary share draft account in which payroll transactions and day-to-day spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled.

Commensurate with the spending activities identified above, we expect the account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period particularly near the end of a Monthly Qualification Cycle are not considered normal, day-to-day spending behavior. These types of transactions appear to be conducted with the sole purpose of qualifying for the account's rewards and thus will be deemed inappropriate transactions and will not count toward earning the account's rewards.

XCEL Federal Credit Union reserves the right to determine if the account is being maintained for a purpose other than day-to-day, primary use. Accountholders who persist in making debit card transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to a different share draft account or closed altogether. We also reserve the right to convert the account to a different share draft account if the account does not have consistent active use over 6 consecutive Statement Cycles.

We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted and no checks will be paid after the account is closed. If the account is closed, you will forfeit any rewards that have not been credited to your account. A XCEL Federal Credit Union check for the remaining balance, if applicable, will be mailed to accountholder at the address indicated on our current records. Upon termination of your Kasasa Cash with Kasasa Saver account, any optional add-on products/services associated with this account will also be terminated at the same time.

If, for whatever reason the Kasasa Saver portion of your account is closed, your account will automatically be converted to a standalone Kasasa Cash account and only the Kasasa Cash terms and conditions articulated within this disclosure will apply.

Dividend Rate & Annual Percentage Yield (APY)

Compounding & Crediting:

Dividends will be compounded on a monthly basis. Dividends will be credited to your Kasasa Cash with Kasasa Saver account on the last day of the current statement cycle. If you close your account before the dividends are credited, you will not receive the accrued dividends. Dividends begin(s) to accrue on the day you deposit noncash items (for example, checks).

"Statement Cycle" means the period of time for which XCEL Federal Credit Union provides a summary of the financial activities and transactions that post and settle to the accountholder's account.

Balance Computation Method:

We use the daily balance method to calculate the dividends in your Kasasa Cash with Kasasa Saver account. This method applies a periodic rate to the principal in the account each day for the period. The period we use is the Statement Cycle.

Dividend Rate & Annual Percentage Yield:

When your Kasasa Cash account qualifications are met during a Monthly Qualification Cycle:

Kasasa Cash: Daily balances up to and including \$25,000 in your Kasasa Cash account earn a dividend rate of 2.47% resulting in a non-compounding APY* of 2.50%; and daily balances over \$25,000 earn a dividend rate of .25% on the portion of the daily balance over \$25,000, resulting in a non-compounding range from .25% to 2.50% APY depending on the account's daily balance.

Kasasa Saver: Daily balances up to and including \$25,000 in your Kasasa Saver account earn an APY of 1.50% and daily balances over \$25,000 earn a dividend rate of 1.00% on the portion of the daily balance over \$25,000, resulting in a range from 1.00% to 1.50% APY depending on the account's daily balance.

When your Kasasa Cash account qualifications are not met during a Monthly Qualification Cycle:

Kasasa Cash: ATM withdrawal fees are not refunded and the entire daily balance in the account earns a dividend rate of .05% resulting in a non-compounding annual percentage yield of .05%.

Kasasa Saver: the entire daily balance in the Kasasa Saver account earns a dividend rate of .10% resulting in an annual percentage yield of .10%.

* Interest in Kasasa Cash does not compound because it is automatically transferred to the Kasasa Saver account within one day. Note: Automatic transfer may cause an overdraft to your Kasasa Cash account, if the account's balance is less than the transferred amount when transfer occurs.

Qualification Information:

To earn your rewards, the following enrollments must be in place and all transactions and activities must post and settle to your Kasasa Cash account during each Monthly Qualification Cycle:

- At least 1 direct deposit or ACH credit transaction
- At least 12 PIN-based/signature-based debit card purchases
- Be enrolled in and have agreed to receive e-statements rather than paper statements

Account transactions and activities may take one or more days to post and settle to the account and all must do so during the Monthly Qualification Cycle in order to qualify for the account's rewards.

The following activities do not count toward earning account rewards: ATM-processed transactions, transfers between accounts, debit card purchases processed by merchants and received by our credit union as ATM transactions, non-retail payment transactions and purchases made with debit cards not issued by our credit union. Transactions bundled together by merchants and received by our institution as a single transaction count as a single transaction for the purpose of earning account rewards.

If January 1, July 4, November 11, or December 25 falls on a Sunday, the next Monday is not a Business Day.

"Statement Cycle" means the period of time for which our credit union provides a summary of the financial activities and transactions that post and settle to the accountholder's account.

APY calculations are based on an assumed balance of \$25,000 + \$100,000 in your Kasasa Cash account and \$25,000 + \$100,000 in your Kasasa Saver account and an assumed statement cycle of thirty-one (31) days. Rates, rewards, and bonuses, if any, are variable and may change after account is opened without notice to you. No minimum balance is required to earn or receive the account's rewards. Rewards less than a penny cannot be distributed. Fees may reduce earnings. You will automatically qualify for the account's rewards during your account's first and second statement cycle.
